Subject: Nomination for Additional TAG Faculty Panel Members

As we conclude the fall 2019 review cycle we have updated each of our panels based on resignations and retirements. To ensure a consistent number of faculty members participate on each of the panels we have identified needs by panel, included within the nomination survey.

In order to ensure appropriate representation of institutions we will be accepting nominations from you for your faculty to serve on these panels. There are 22 TAG disciplines areas that need additional faculty members or are newly formed TAG panel disciplines.

Once all recommendation are received we will determine which recommendations/institutions will be best to complete each panel. If your nomination is accepted we will follow up with you individually.

As a member of a TAG faculty review panel, they will help to build a seamless transfer system in Ohio, and their duties will include:

- Performing an integral role in the implementation of Ohio's Credit Transfer initiative of establishing a TAG course equivalency.
- Working with fellow faculty members across the state.
- Working with a panel lead for their faculty review panel in their discipline or area.
- Completing review of TAG course submissions.
- Sharing any concerns that may have with the TAG or OTM submission/review process.
- Reviewing submissions through Course Equivalency Management System (CEMS)

HOW TO NOMINATE YOUR FACULTY

We have designed a survey that you will be able to enter your nominations in for the TAG disciplines areas, as well as to find out which school type (2-or-4-year institution) and/or specific expertise each panel nominee has. You may also use the one page flyer describing panel member/lead roles and copy of the survey (PDF) as guides before asking for nominations by college/department chairs. Please visit the following survey website to complete your nominations on or before **Friday, January 10, 2020**:
